me: go ahead and send transcript so I can forward to this reporter
Clark: are you sure you want to, gives away some of these guys tactical notions they were exploring?
Clark: sent
me: we trust her
Clark: ok
Clark: main thing i noticed tonight was ayla asking for help with translation
Clark: she needs more and more reliable translation help, sounds liek
Clark: like
me: no, liek is correct
me: in chan speak
me: yeah, I've got some reliable translators I'll give to her
me: and she can work with Campbell on getting that set up efficiently
me: reporter is Alex Pearlman
me: who is symapthetic
me: and will be there for April
Clark: ok, shame on me for not trusting your judgement
me: well, no
me: your main role is to provide your judgement
me: you're talking to a guy with active warrants
me: former heroin addict
me: participant in Puerto Rican drug ring
me: participant in Mexican drug ring
me: my mom will tell you
me: okay, speaking of good judgement, I'm going to go get wasted
me: be back in a bit
Clark: ha ha, oh well, when i was a prosecutor i was sleeping with someone who did a drug deal right in front of me, kept me humble
me: very good
